

“The Absa Cape Epic has been using the services of Trash Pirate as our one-stop recycling and waste management solution since 2016.

The team at Trash Pirate are led by their environmentalist owner Lee whose dedication and passion for environmental sustainability is seen throughout the entire team on the ground.

The Trash Pirate team are proactive and provide you with peace of mind that the job will be done with pride.

The team also provides regular updates to waste regulations within the industry and always strives to improve sustainable methods every year.

A friendly, reliable and professional service has been received from Trash Pirate at all times and we look forward to continuing our close working relationship with them in the future.”
